

# CASA CHILD, ADOLESCENT AND FAMILY MENTAL HEALTH

## OUR VISION

A community where all children, youth and their families are provided with timely mental health care and empowered to **thrive**.

## OUR MISSION

To build resilience through holistic, evidence-informed and compassionate care, and to advocate for children, youth and families with mental illness.

## OUR VALUES

### **Community**

We believe each person's community is unique, and is needed to support the mental health and well-being of those we serve.

### **Child-centred and family-inclusive care**

As partners in care, we build services around the specific needs of each child and family.

### **Collaboration**

We work together to better serve children, youth and families.

### **Equity, diversity and inclusion**

We create a culturally safe environment that acknowledges and respects the lived experience of every person and community.

### **Outcomes-based accountability**

We commit to and deliver effective outcomes as both a care provider and employer.

Mental Health

## OUR FIVE-YEAR ROADMAP (2022-2027)

CASA will focus on the following areas over the next five years:

### **Leaders in delivering child-centred, family-inclusive mental health services**

We will create a safe, diverse and inclusive workplace.

We will become a nationally recognized learning and teaching organization.

### **Programming efficacy and relevance**

We are a provider of safe and culturally sensitive mental health services.

We will be a model organization in delivering trauma-informed, wrap-around mental health programming for children and their families.

### **Financial health**

We will maintain financial stability through diverse funding sources.

We will be a nationally identifiable and trusted organization.

## HOW IS CASA LEVELING UP SERVICES TO KIDS AND FAMILIES?

- Expanding services in our own footprints and moving to evening, weekend and summer programming;
- Enhancing online services;
- Going to where kids are, by working with community partners to find spaces in their facilities and organizations to provide service.
